

N&N Nadratowski 300 Litre Twin Shaft Paddle Mixer

N&N 300 Litre Twin Shaft Paddle Mixer From Nadratowski Mixers

The **N&N 300 Litre Twin Shaft Paddle Mixer** is a versatile, high-performance solution for blending a wide variety of products across industries including meat, poultry, fish, vegetables, guacamole, herbs, dairy, cereal confectionery, pet food, and sandwich production.

Key Features & Benefits:

- **2-Speed Operation:** Offers flexibility for different mixing requirements, ensuring optimal performance for diverse ingredients.
- **Ideal for a Wide Range of Products:** Perfect for mixing meat and vegetarian burgers, sausages, meatballs, coleslaw, potato salad, mashed potatoes, fresh and frozen vegetables, cereals, raw pet food, and many other free-flowing products.
- **Efficient Paddle Shaft Design:** The unique paddle shaft arrangement—where one shaft is slightly higher than the other—ensures a more thorough and effective mix.
- **Gentle Mixing Action:** The gentle mixing process, combined with short mixing times, helps to maintain product integrity by reducing particulate destruction and preserving the structure of delicate ingredients.
- **Side Discharge:** Direct discharge into 200-litre tote bins for easy handling and storage.
- **Capacity:** **Total Capacity:** 300 L **Recommended Fill Capacity:** 240 L
- **Power and Performance:** **Installed Power:** 4.5 kW **Shaft Rotation Speed:** 24/48 RPM **Power Supply:** 3-phase machine

Dimensions:

- **Height:** 1510 mm
- **Length:** 1800 mm
- **Width:** 910 mm
- **Height with lid open:** 2050 mm
- **Weight:** 520 kg
