

N&N Nadratowski RM 300 Ribbon Mixer

N&N Nadratowski RM-300 Ribbon Mixer

The N&N RM Double Helix Contra Flow Mixer is expertly designed for optimal blending of powders, herbs, spices, salts, sugars, dry ingredients, and butter-based products.

With a maximum filling capacity of 240 litres, this high-performance mixer features a pneumatically operated opening and closing lid, ensuring ease of use and efficiency. Crafted from durable stainless steel, it delivers both reliability and hygiene.

For more details, ask for a PDF for the full specifications of the RM-300 Ribbon Mixer.

To discuss how the N&N RM-300 can enhance your production line, contact Total Food Machines at 02890 994 202 or email sales@totalfoodmachines.com.

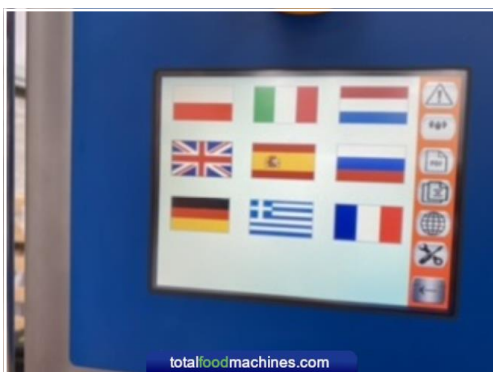

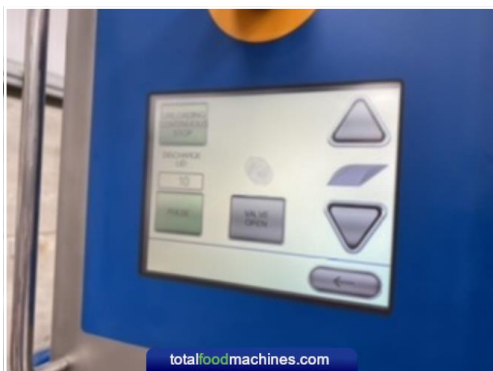

Let us help you streamline your mixing process with the ultimate solution.
