

OK Supersealer Rotary Hot Air Bag Sealer

OK Supersealer Rotary Hot Air Bag Sealer

Total Food Machines offers the **OK Supersealer Rotary Hot Air Bag Sealer**, designed for high-speed, efficient sealing of a wide range of bag materials. Our machines are available in both **painted** and **stainless steel** models, providing flexibility to meet your operational needs.

Key Features:

- **Versatile Bag Sealer Compatibility:** Suitable for a wide variety of bag materials (heat-sealable up to 40 mils) and all bag sizes.
- **Sealing Range:** Ideal for sealing products in food and non-food industries, including poultry, fish, meat, vegetables, salads, seeds, cereals, pet food, dairy, confectionery, fresh or frozen products, animal feeds, pharmaceuticals, and more.
- **Sealing Speed:** Up to 120 feet per minute (36.5 meters per minute), ensuring rapid and efficient processing.
- **Hot Air Sealing Technology:** Delivers optimum seal quality with low maintenance requirements.
- **Closed Loop PID Temperature Control:** Ensures consistent and accurate sealing temperatures for reliable performance.
- **Adjustable Conveyor Speed:** Variable speed for ease of operation and flexibility.
- **Motorised Pedestal:** Easily adjustable height at the touch of a button, simplifying bag size changeovers.
- **Optional Add-Ons:** Conveyor systems, weighing systems, gas flushing, bag top trimmer, and jet flow trim remover.

Customisation Options:

- Available with or without an integrated conveyor system.
 - Machines can be tailored with optional extras to meet your specific production requirements.
- For further information or to request a quote, please contact Total Food Machines at **02890 994 202** or email sales@totalfoodmachines.com.
