200 Litre Stainless Steel Tote Bin Meat Buggy

200 Litre Stainless Steel Tote Bin – Meat Buggy

Maximise efficiency and hygiene with our **200 Litre Stainless Steel Tote Bin**, designed for versatility and durability in food processing environments.

Key Features:

- **Premium Stainless Steel Construction:** Built for long-lasting durability and easy cleaning.
- **Electro-Polished Finish:** Ensures a smooth, non-porous surface that resists corrosion and enhances hygiene.
- **Ergonomic Push and Pull Handles:** For easy handling and transport of goods.
- **Versatile Functionality:** Ideal for transporting products or as a holding vessel in various processing stages.

Additional Options Available:

- 200 Litre Tote Bin with Pouring Lip
- Tote Bin with Ergo Handles
- Tote Bin with Integrated Drainage System
- Perforated Tote Bins

- Plastic Tote Bins

For more information or to place an order, please contact **Total Food Machines** at 02890 994 202 or via email at sales@totalfoodmachines.com.
