

N&N 180 Litre Twin Shaft Paddle Mixer

N&N 180 Litre Twin Shaft Paddle Mixer

The smallest machine within the N&N range of twin shaft paddle mixers.

The N&N 180 litre twin shaft paddle mixer is an ideal machine for mixing all types of food products within the meat, poultry, fish, vegetables, dairy, cereal, confectionery, petfood and sandwich filling industry.

Additional Features:

The N&N 180 features a special paddle shaft arrangement with one slightly higher than the other to give a more effective and quality mix.

The N&N Mixer produces a gentle mixing action which reduces particulate destruction maintaining the product structure and its original quality.

The N&N can be supplied with the 'easy clean' system – this releases the paddles for ease of cleaning without back strain, the machine can also be supplied with a Tote Bin Lifter, PLC Control.
