

Pintro Meatball Attachment

Pintro Meatball Attachment

The Pintro Meatball Former is an ideal solution for high-volume meatball production, offering efficiency and precision. This versatile device produces meatballs in a variety of weights and sizes while preserving the traditional appearance of each ball.

With quick and easy adjustments, the machine offers multiple meatball diameters, including Ø18mm, Ø25mm, Ø30mm, Ø37mm, and Ø42mm, and can produce meatballs ranging from 2 to 45 grams in weight.

Key Features:

- Effortless to operate and clean
- Consistently produces traditionally shaped meatballs
- Suitable for small to medium-sized enterprises
- Compatible with most sausage fillers for added versatility
