

Linear Weigher for Coffee

Precision Linear Weighers for Coffee & More

At Total Food Machines, we offer a comprehensive range of **Linear Weighers**, designed to meet the needs of various industries, including coffee packaging.

From **single-head** to **multi-head** configurations, our weighers ensure precise, consistent measurements for efficient packaging operations.

Key Features:

- **Advanced Control Systems:** Equipped with **Siemens** or **Mitsubishi** PLC controls for superior performance and reliability.
- **European Components:** Built using high-quality components sourced from trusted European manufacturers.
- **Ease of Setup:** Designed for simple installation and intuitive operation, reducing setup time and minimising the learning curve.

Our linear weighers are ideal for accurately measuring and dispensing a wide range of granular products, including **coffee, grains, nuts, snacks**, and other similar items.

For more information or to discuss your specific requirements, please contact **Total Food Machines** at 02890 994 202 or email sales@totalfoodmachines.com.
