

Tote Bin Loaders

Tote Bin Loaders

Our heavy-duty Tote Bin Loaders provide safe, controlled lifting and tipping of meat trolleys and Euro bins into mixers, grinders, tumblers, cooking vessels and other food-processing machinery. These hygienic stainless-steel column loaders can be configured for different discharge heights, bin sizes and left- or right-hand tipping arrangements. Their fixed installation provides dependable handling, reduces manual lifting and helps maintain a faster, safer production flow. Speak to our team about a loader configured around your product, machine and discharge point.
